

Thursday 26 March

Dear Families

The Easter break should not be viewed as a “holiday” by year 11 students. It is the time to make the final preparations so that students are “exam ready” for the Summer series.

Sticking to school hours is a great way to maintain a regular revision routine, with built in break and lunch times. It’s really important that as parents, you encourage and support your child to engage fully with their revision programme. We’d like to remind parents of the power of regular revision over this period. You can do your part by setting up a simple reward chart to encourage them to do daily revision, using the “Don’t break the chain” methodology. If you’ve forgotten how this works, here’s a video reminder: <https://www.youtube.com/watch?v=DpOBvWw1oPg>

Here is a reminder of the online revision platforms we recommend the following sites. We have paid for premium account access. Students can use the Single Sign on option to login, linked to their school Google account

Maths Sparx Maths  <a href="https://sparxmaths.com/">https://sparxmaths.com/</a>	English Massolit  <a href="http://www.massolit.io/">www.massolit.io/</a>
All subjects: Seneca Revision  <a href="http://www.senecalearning.com">www.senecalearning.com</a>	All subjects: GCSE Pod  <a href="http://www.GCSEpod.com">www.GCSEpod.com</a>

In addition, students can find additional support from our Elevate partners by clicking on this link: <https://ukstudent.elevateeducation.com/>

Students who are attending on-site Interventions need to ensure they arrive on time, as our reception desk is only open 15 minutes before the start of each session. Students should bring their drinks and snacks to sustain them for the duration of the session. If your child would like to attend, but has not been directly invited, please contact the member of staff directly, to check if there are spaces available.

When we return from the Easter break, there will be just 18 days until the start of the written exam period, so please encourage your child to maintain a regular revision routine. You asked after the February evaluations for paper resources, so students will be coming home with plenty of work booklets, past papers and revision materials to keep them busy over the Easter break.

We have now finalised our Phase 3 Intervention programme. This starts on Tuesday 16 April and lasts for the final 3 weeks leading up to the start of the first exams. Invitations have been published on Parent Pay. Please log in and confirm your child's place before **Monday 16 April**. Sessions will run on:

- Tuesdays for Humanities, Languages and Social Science
- Wednesdays for English and Maths
- Thursdays for Performing Arts and PE

**A reminder of the key dates for your diaries, early next term:**

Tuesday 16 April: BTEC Dance Component 3 exam

Thursday 18 and Friday 19 April: 3d design practical exams

Monday 22 and Tuesday 23 April: Option A art exams (art, photography, textiles)

Thursday 25 and Friday 26 April: Option B art exams (art, photography)

We hope that you have a restful, revision filled break!
