Questions

We are very excited to welcome you all to Stantonbury School in September. We hope you are equally as excited. If you have any questions please email them to 'enquiries@stantonbury-tove.org.uk' and put in the subject box 'Transition'. No question is too small, we are sure there is a lot you will want to know about our school.

Key Contacts for Year 7

Every member of staff at the school is here to help your child during their time with us.

Your key contacts will be:

- Form Tutor
- Student Support Leader for Year 7
- Head of Year 7
- Senior Leader for Year 7
- Attendance Officer

Your child's tutor is the main point of contact between you and the school and should be your initial point of contact.

Similarly, if your child is worried about anything they should speak to their tutor initially. This is the person that is likely to know them best at the school and, therefore, can offer them the most effective immediate support and advice.

Uniform

Wearing a school uniform smartly is an essential aspect of school life and we strongly believe that if you dress smartly then it helps to foster smart attitudes towards learning. We also believe that having a school uniform helps students to feel pride in belonging to the Stantonbury School community.

Most items can be purchased through a range of online and high street stores so that there is choice and better availability. Two dedicated uniform suppliers will offer a full service - Maisie's online or at their shop in Wolverton and Price & Buckland who are online only.

We strongly encourage all uniform and PE kit to be labelled.

Students will have the opportunity to go on a variety of school trips throughout their time at Stantonbury.

Students will experience opportunities to participate in workshops with outside speakers, have career interviews and take part in a wide variety of activities to enhance their education.

Your First Day

You will have taken part in our two induction days in July so will have met your tutor and some fellow students. Everyone on their first day will be a little nervous. We are all here to support you and make sure your first day is as enjoyable as possible.

On your first day you can expect to have an extended tutor time with your tutor so you get to know your tutor group and receive your weekly timetable. You will also have a welcome assembly.

After break you will attend your normal timetabled lessons.

During the first week you will be taken to set up your fingerprint for our cashless system and have your photograph taken for our records.
