Dear Stantonbury families

As we start our first full week back as a school, we are reminding students and families of our high expectations.

## **School Uniform**

We place a great deal of importance on our values, it is imperative that all students follow the Uniform Policy. We expect our students to wear their uniform with pride, to and from school and during the school day. As such all students are expected to be in the approved school uniform and on a day when they have PE to have the approved PE kit in their bag ready to change into for their lesson.

If a student arrives in school wearing non-school uniform, you will receive a telephone call asking you to either bring in your child's correct uniform for them to change into or to collect them so their uniform can be sorted. The school has zero-tolerance policy to the wearing of hooded jumpers.

If a student arrives in school with part of their uniform incorrect, we will contact you to ascertain when this can be corrected

The full uniform requirements are detailed below.

## **School Detention System**

From time-to-time students will make the wrong choice or not meet our high expectations with their behaviour or work. To help students understand the consequences of this and to reflect we will be running an after-school detention on Tuesdays through to Fridays, 15:15 – 16:00. You will be contacted by the school the day before to inform you of the date of the detention. The teacher who has set the detention will telephone you to explain the reason for the detention and how things will move forward positively.
