

GO 4 Schools – Parent and student site

Logging in

The new GO 4 Schools site has an updated 'Login' link with options to log into specific sites. Parents and students need to select the appropriate site to access the log-in page.

- [George ADAMS](#) [Timetable](#)
- [Sophie ADAMS](#) [Timetable](#)

Once logged in the parent can access all of their children who are at the same school.

Updating settings and passwords

To update the settings for notifications and emails generated by GO 4 Schools select your name on the top menu bar, and then the 'Settings' option.

Once in the settings page parents can check their email contact address used by the school and notify the school if updated contact details are required. Parents can also update their password from the settings page.

To manage communication settings a table showing options for Email, Mobile App and SMS is visible depending on the school's subscription. Settings can be updated specifically for each of the options available to the school:

Student page – Overview

Sophie ADAMS

2020 Year 11 (Current), 11F, House: Nightingale

Links at the top of the page will allow parents to see detailed information and alerts for homework tasks, inbox messages, detentions, and reports. The academic year can be changed from a drop-down list if previous years are visible to parents.

The 'i' icon will display any student data that the school has shared with the parent regarding the child including SEND, FSM, PP1 etc.

Alerts for items that have not been viewed will be displayed alongside the icons for each of these areas in GO 4 Schools.

Attendance

Attendance **98%**

An attendance summary chart displays the percentage of present and other key absences recorded by the school.

Behaviour

A behaviour summary chart will display a count of behaviour events for both positive and negative events for each week.

The graph allows parents to quickly see at a glance the comparison between positive and negative behaviour events over time.

Progress

A progress overview table displays any residual schemes in place with a count of subjects within each residual band.

Progress overview table for GO 4 Schools: Current model. The table shows the number of subjects in each residual band: Above target (2), On target (4), Below target (1), and Well below target (0).

Attendance

This page has two tabs, an attendance summary, and a calendar view.

Attendance

The session summary shows a count of all attendance marks received by the student and as a percentage of total possible school attendance. Additional charts show the student’s overall attendance pattern as the academic year develops week by week.

A heat map shows a student’s average attendance for each session across a week, and days where attendance may be a concern is clearly flagged.

[Optional] Additional detail of attendance in each curriculum subject are also displayed so patterns that could be of concern can be easily viewed.

The calendar view shows details of all session attendance marks entered for the student during the academic year.

🕒 Detention summary

The **summary of all events table** is a count of all types of event recorded for an individual student and the total score for each event raised. These can be viewed by positive, negative, and neutral events.

Event	Count	Student score
C3 Serious out of lesson incident	1	-3
P1 Verbal recognition for a good contribution	17	17
C3 Removal from lesson significant disruption to learning	2	-6
C1 Warning for poor choice in lesson	3	-3
Late for lesson	3	-3
C2 Low Level Disruption	7	-14
Parental Conference	2	0

Behaviour by subject and group displays a student's behaviour net score from both positive and negative events and then compares this to the subject average score for all other students who study this subject in the same year group.

View behaviour events: this tab enables the display of all recorded events in date order with options to view additional details including school notes and detention information if applicable.
