Dear Families and Colleagues

Stantonbury School: Proposal document to reduce the Published Admission Number.

The Tove Learning Trust and the Leadership Team of Stantonbury School propose to reduce the Published Admission Number (PAN) for new Year 7 pupils from 360 to 300, to take effect from September 2023. The proposed change will help our school effectively focus its learning and teaching resources to significantly improve the education offered at Stantonbury School.

The Trust and staff are working hard to continue to improve the outcomes of all our pupils and feel strongly that the proposed reduction will benefit future outcomes for our learners, whilst still enabling us to meet the demand of places. There will be no other changes to the admission arrangements.

All current and future parents and any other interested stakeholders can make comments on this proposal, information on how you can do this is detailed at the end of this letter, under the section titled "How to make your views known".

The Tove Learning Trust is seeking comments on the proposed change.

Specific Proposal

The Trust proposes to reduce the Published Admission Number (PAN) from 360 to 300 with effect from September 2023. This means that the number of school places for pupils wishing to request a place to attend Stantonbury School in Year 7 in 2023 will be 300, as will all subsequent Year 7 cohorts thereafter. For pupils who already have a place at Stantonbury School in other year groups, there will be no change. This is the only proposed change to the admissions criteria; all other criteria will remain the same. It is important to the Tove Learning Trust to consider the views of our parents and the wider community.

How to make your views known.

The consultation will run from 1st November 2021 to 13th December 2021. All stakeholders are invited to submit comments in writing about the proposal to:
