**21/07/2023** Break up for summer at 12pm

## Year 11 Leavers Assembly

**They have left the building!**

We have said our goodbyes to our Year 11s after they finished their final exams. Their leavers assembly was wonderful and they all showed in abundance our 3 school values or **Respect, Responsibility and Resilience**. The atmosphere was perfect and they truly did themselves proud.

## Uniform Update

We would like to thank all our families for your continued support with our uniform drive. We have seen a huge difference in the attitude to learning and presentation from our students. We will continue with our uniform drive for the rest of the term and again in September. Please be aware that from September every student must have and be wearing a school blazer. Whilst jumpers are still an acceptable item of uniform the school blazer is compulsory and must be worn to school every day. Uniform can be purchased at Maisies in Wolverton <https://maisies-superstore.co.uk/> or Price & Buckland <https://price-buckland.co.uk/>

### PE NEWS

As the year draws to a close. The PE department a very excited about the upcoming sports day trials on Monday 10th July for Years 9 and 10 and Wednesday 12th July for Years 7 and 8 with finals on Friday 14th July. All pupils will come in to school in sports wear on their allocated day representing their house colour.

The recent MK schools athletics federation cup competition was held on Wednesday 28th June. The standard was extremely high from all schools which made our finalists all the more special, with some exceptional performances in the Year 10 boys 100m final where Bolaji Odudimu-Olatunde and the Year 10 boys javelin final where Oliver Beluli won their events with speed and power.

Other individual placed finalists included Janelle James, Lucas Mossman, Callum Western, Scarlet Luckhurst, Augustas Smailys, Hannah Roper, Jelena Smith, Isobel Bartos, Mahad Mohammed and Elisha Boateng. We are all super proud of all of our athletes and their amazing performances. I would like to mention Ayesha Jones who this week won the Inter girls Javelin event at the prestigious English Schools competition held at the Alexander Stadium in Birmingham, with a huge throw of 50.60m. Ayesha has also been selected to represent England in the next schools event. We are very proud of you Aysha and wish you all the best for the future competitions.

### Goethe Institute Careers fair

On Thursday 8th June 17 Year 9 & Year 10 students who study German had the opportunity to attend a career fair in London at the Goethe Institute. They had the opportunity to talk with German companies to discuss career opportunities for their future.

Students were able to talk to German businesses and take part in workshops about opportunities to study abroad. There was plenty to do and get involved with and even more to take away. The day was filled with opportunities to both speak German and learn about cultural differences.

Stantonbury students represented the school well and many had some great questions and input. We look forward to going back next year.

### Women in STEM with MK College

A group of Year 9 female students participated in a Women in STEM (Science, Technology, Engineering and Mathematics) event at MK College, aimed at enthusing and motivating female students to consider STEM courses and related careers. The students enjoyed STEM related activities and demonstrations, which included manual tool handling and stripping electrical wires. Verbal feedback from students on the event was very positive.

The trip was really amazing, it opened a new whole idea of how engineering works. This trip has definitely opened up a new path for me. The experience was more hands on than I thought it would be and there were a lot more things to do with engineering than I thought there would be. The trip made me appreciate engineering a lot more than I did before and its something I think I might want to take up in the future or at least try to learn about more.

### Musical Extravaganza

The PA faculty are staging 'A Musical Extravaganza' on Wednesday 19 July in Stantonbury Theatre. The evening consists of songs and scenes from a selection of musicals performed by our own prodigiously talented students.

Tickets are on sale now and, as it is for one night only, will sell out quickly. Book early to avoid disappointment!
